

Old Sterling Gable Conservatory

Holiday Lights Contest 2010

Last year was impossible to judge due to 2009's snow whiteout!

Everyone is again invited to put up lights or holiday decorations.

Houses will be judged on best holiday lights and decorations on December 21st.

Please be kind to your neighbors and remove the decorations before the end of January 2011.

Winter Reminders

Snow Removal

On days when it snows, please remember to shovel the sidewalk, walkway and stoop in front of your home.

Please be aware that unshoveled snow causes ice buildup, which is a hazard to others, so please do your part to keep the sidewalks in front of your house clear.

We appreciate your cooperation!

Christmas Tree Pickup

All tinsel and decorations must be removed before placing the tree out. Please do not put the tree in a bag.

Please be aware that American Disposal will not pick up trash in areas they deem unsafe during inclement weather. If weather prohibits trash collection at any time this winter, trash removal will be suspended until your next regularly scheduled pick-up day.

Helpful hints to winterizing your home!

As cold weather approaches, it is important to take a few preventative measures to protect your home & property through the chilly months.

1. Check around doors and windows for gaps where warm air can escape. Apply weather-stripping.
2. Trim Trees if branches hang too close to the house, cars, or electrical wires.
3. Buy a snow shovel and other winter supplies before the messy weather hits.
4. Disconnect hoses from outside faucets and turn off the water.
5. Close any vents in your home that may have been opened for the warm weather.
6. Replace and/or clean the filter in your furnace.
7. Move sensitive potted plants indoors.
8. Plant spring flower bulbs.
9. Apply winter fertilizer to front & back yard grass.
